

# Technology Gateways Network

**Delivering Solutions to Industry – an Enterprise Ireland funded network**

The **Technology Gateway** at CAPP is one of 17 gateways funded by Enterprise Ireland around the country, and the only one focused on photonics applications. The gateways have a remit to deliver technology solutions to Irish industry, and the CAPP gateway is successfully providing photonic solutions for industries in the **Pharmaceutical, Food & Beverage and Medical Device** sectors.

- An open access point for industry to industry-relevant technology expertise
- Technology solutions for the close-to-market needs of Irish industry
- Regionally-based Gateways acting as a portal to the nationwide expertise in the Technology Gateway Network and the wider Irish research infrastructure
- Ongoing development of technology offers guided by an industry-led steering committee
